Scholarship funds provided through United Way Donor Choice, Clinton Education Foundation, and participating center contributions.

- Scholarships funds are allocated toward preschool tuition for the 2016-17 school-year; or before/after care for a preschool student attending any Clinton program; or 2016 summer programming for **Clinton residents**. - Children born in 2012 will have priority for scholarship funds. Younger children will be considered as funds remain available. Scholarship funds are not guaranteed to a child for more than one year.
- Children attending a Clinton community program (Red Barn, Clinton Child Care, Carrot Patch) will have priority for scholarship funds. As funds remain children attending Joel preschool programs will be considered.
